

DECONTAMINATION CERTIFICATE

Any equipment (including all its accessories) which is to be returned to HD Scientific or serviced on site, must be cleaned and decontaminated in the appropriate manner. This certificate, duly completed, must be either sent in advance, fixed to the outer packing containing the product, or handed to the Service Engineer.

Packages will not be opened nor servicing commenced until the Company or Service Engineer have received a satisfactory certificate. Should returned goods be considered a hazard by the Company, they will be returned immediately to the customer at his/her expense.
